Local Option Levy

North Clackamas School District

What is a local option levy?

A local option levy is a short-term tax on property approved by voters to provide operating funds for local schools. All funds raised through a Local Option Levy would stay with the local schools. They could not be used for any purpose other than what voters approve. By law, the local option lasts from three to five years. The number of years is approved by voters and can't be extended without another vote.

What could the money be used for?

A local option levy could be used to support schools. The district plans to listen to the community to determine how the funds should be used. Community members are being asked to select their priorities from among several uses, including

- Hire more teachers, to lower class sizes?
- Add more school days, so kids have more learning time?
- Add more education programs?
- Buy new math books to help meet higher national standards?
- Add classroom technology, such as computers?

The School Board would like to know what community members think about this proposal. Schools will host listening sessions, where parents and community members can learn about local option levy, ask questions and express concerns that will be communicated to the School Board. Our Superintendent, Tim Mills and other district administrators will be available at these sessions.

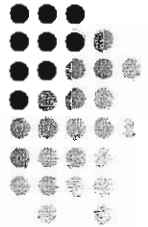

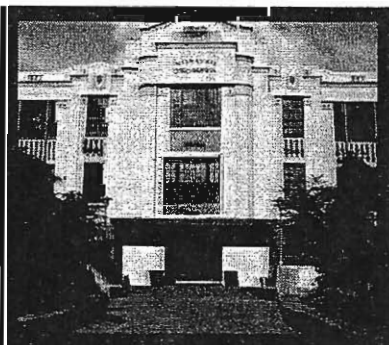

Please plan to attend one of the informational meetings (in English):

- September 22nd: MHS @ 6:30 pm *(in Russian)*
- September 26 at Clackamas High @ 6:30 pm *(in English)*
- September 29th: CHS @ 6:30 pm *(in Russian)*
- October 4 at Milwaukie High @ 6:30 pm *(in English)*
- October 13 at Putnam High @ 6:30 pm *(in English)*
- October 17 at the Schellenberg campus of the SSC @ 6:30 pm *(in English)*
- October 27th: PHS @ 6:30 pm *(in Russian)*

Child care and transportation will be available upon request.

Please contact Olga at 503-353-5678 x1 for more information and to arrange for transportation and child care. Survey is available on the district website.

The School Board needs a feed back from parents and community members!

Milwaukie Tool Library Community-Wide Meeting

Thursday Nov. 17th, 2011 at 6:30 PM

Public Safety Building, 3200 SE Harrison, Milwaukie

You are invited to attend and participate in an open forum on the subject of a community-sponsored free Tool Library within the city limits.

If the idea has merit and support, applications for steering committee members will be ~~distributed~~ and collected.

distributed

Frequently Asked Questions:

What is a Tool Library?

It's a lending library with tools, not books.

What types of tools are available?

A mix of home-repair and garden/landscape tools plus auto, bike and paint tools -- even seeds.

How much does it cost to join?

It's free!

Who pays the bills?

Tool Libraries are supported by donations/grants.

ALL PARTICIPANTS ARE ENCOURAGED TO BRING WATER AND
WEAR A HELMET.

WE HOPE TO SEE YOU THERE!

Frequently Asked Questions

Is this a haunted house?

No, **this is a yard display only.** The props and the wiring in the yard are not designed for foot traffic.

Is there a charge for this display?

The display is free. If you are feeling generous....we take donations in the box in front of the gate.

Where did you get your decorations? Are those tombstones real?

Almost everything in the yard display is hand made from materials bought at the local hardware store. The tombstones are cut from 2" Styrofoam and then the lettering is individually hand carved and painted. The abbey is made of 1" white foam carved and mounted on a wood frame.

Where do you store all of this?

They are stored in the upstairs portion of the shop (the building behind the abbey.) We have specially designed storage areas for the smaller items and then the larger stuff is stacked up as neat and tight as possible.

Is that a real hearse?

No, it is a full scale model of a hearse made of foam and wood.

How do you create the ghost in the crypt and the window?

They are video effects. There is a rear projection screen in the crypt and the church with a LCD projector that plays a home made video of a "ghost".

When do you start working on all this?

We start planning the yard at the beginning of the year. We go to Halloween conventions and when we get back we start work on new projects as early as May. Our main construction time is July through September when the weather is good for painting.

Will anything jump out and scare me?

It has always been our philosophy to create a creepy feel without resorting to the typical haunted house scares. You will see no actors hiding in the yard, popup props, blood and guts or extreme violence.

Why do you do this?

We LOVE Halloween! From the days of dressing up and going trick-or-treating to going to haunted houses to creating our own. It allows us the opportunity to express ourselves creatively in a style that we enjoy.

Do you sell your decorations?

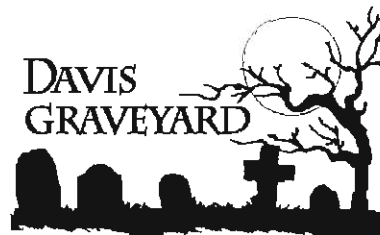

Not often, but we do offer classes on how to make our props during the summer. For information on our classes sign up for our mailing list at www.davisgraveyard.com

Got more questions?

Contact us at hosts@davisgraveyard.com -we love hearing from you!

Happy Halloween!

Want more Halloween while you are lurking about?

While you are in the neighborhood, visit our friends the Bishops over on 32nd. They have a great cemetery set up, along with several custom pieces, this is where some of our props end up spending their retirement. They have done a great job setting them up and giving them a great new home! We appreciate them helping us make Milwaukie "Halloween Town"

It is a great display that you will not want to miss. Haunting 9770 SE 32nd Ave

We have decorated our favorite "haunt" Wine:30. Head down there for some delicious wine and delicious snacks and see more of our Davis Graveyard decorations (as well as some photos from a great local artist Dawn Kowetewski). They also have our concrete skull candles for sale save yourself the shipping costs! Pick one up locally and enjoy a glass of wine. The graveyard is fond of The Pines Big Red :D

Fear Asylum

Check out the new haunted house right here in Milwaukie! The Milwaukie Elks Lodge on McLoughlin is having their first haunted house called Fear Asylum. They promise lots of scares for everyone!

Milwaukie Elks Lodge located at 13121 SE McLoughlin Blvd in Milwaukie.
Haunt opens October 13th - see their face book page for details.

City Hall Cemetery

The ghouls are out and City Hall is getting in the Halloween spirit! The lawn at city hall all decorated for Halloween. Be sure to stop by and see the tombstone display created by artMOB, Milwaukie's art committee.

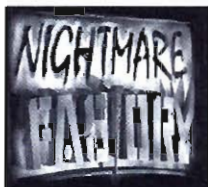

Milwaukie 2nd Annual Scarecrow Contest

artMOB will be spookifying City Hall again this year and needs your help! Prizes will be awarded in three categories: best traditional or contemporary, group/organization, and character. The scarecrows will be displayed in front of City Hall between October 19th and 31st.

Those wishing to participate must return an entry form by Friday October 14th and drop off their entry on Wednesday October 19th at City Hall—10722 SE Main St—between 6:00pm and 7:00pm. Contact Beth Ragel at (503) 786-7568 or ragelb@ci.milwaukie.or.us for further details.

See the artMOB website (www.artmob.org) for photos from last year and official rules!

Last year the Davis Graveyard crew spent two weeks working on the Extreme Home Makeover project for the Oregon School for the Deaf. (aired last Halloween.) We helped them completely remodel their haunted house "Nightmare Factory" the largest fundraiser for the school. It is definitely worth the trip to salem! See what the mind's behind Oregon's number one haunted house have added for you in 2011! The Night-

mare Factory has been almost fully remodeled and rethemed this year and you wont believe what we have in store for you! www.nightmarefactorysalem.com
