9. Community Development Department Updates

Note: The following updates are organized below by topic, but many of them do not fit neatly into a specific category. They are only organized this way to help you navigate and find areas that you may be most interested in.

Project information is also available on the web at
www.milwaukieoregon.gov/projects

- **Parks & Sustainability**
 - [Milwaukie Riverfront Park](#)
 - This week the contractor is working out in McLoughlin to install the traffic separators as required by ODOT for the new approach. This work is expected to wrap up today (Friday) if not Tuesday of next week.

- Once the work out in Mcloughlin is complete, the approach at Washington will be poured back.
- Later this week a punch list will start to be gathered for the entire site.
- Engineering has already met with the Kellogg Treatment Plant Staff to gather a punch list for their area.
- Staff has also begun conversations with the North Clackamas Parks & Recreation District (NCPRD) and the Kellogg Treatment Plant Staff to discuss long term maintenance of the entire site.
- **Four Parks Master Planning**
 - Submittal of the application package for 3 of the park master plans (Balfour, Bowman-Brae, and Kronberg Parks) is expected within the week. The master plans will be adopted as ancillary documents into the City's Comprehensive Plan by the legislative (Type V) process, which involves public hearings by Planning Commission and then City Council.
- **Adams Street Connector**
 - Now under construction and is expected to be complete near the end of June.
 - The parking has been a common concern for visitors to the Post Office.
 - 12 parking spaces were removed as a part of closing this section of Adams after the Light Rail Improvements were made.
 - A few weeks ago, Staff analyzed the width and angle of the parking spaces on Main Street south of Washington and by only restriping were able to add these 12 spaces back to the City's inventory of parking.
- **SE 17th Ave. Multi-Use Path**
 - Preliminary plans are currently under review by ODOT, Metro, and the City.
 - Right-of-way phase has been authorized by ODOT and FHWA.
 - Milwaukie Staff and Consultant are prepping ROW consultant to start.
 - Construction expected to commence Spring 2016.
- **Stanley Ave. Storm Pipe Replacement**
 - Nearing completion of design phase. The City has received a permit from Union Pacific Railroad to remove and replace existing storm water infrastructure adjacent to their tracks. The project is awaiting a decision by City Council on May 19 concerning the permit process. Bidding for construction will occur as soon as the issue is resolved.
- **Street Surface Maintenance Program – Slurry Seal (2015)**

- Construction contract is expected to be awarded by Council on June 16. Notice to proceed is scheduled for July 27.
 - [Street Surface Maintenance Program \(Railroad Ave.\)](#)
 - The addition of the 4 foot shoulder will involve realignment of portions of the storm ditch and replacement of storm crossings on Railroad Avenue as well as intersecting streets. Final design is expected to be completed late May. Bid expected to open May 29. Construction is on schedule to take place from July through August.
 - [17th Ave. Water System Improvements](#)
 - Now under construction and is expected to wrap up near the end of June.
 - [Clay Pipe Replacement Program \(2014-2015\)](#)
 - Now under construction and is expected to wrap up near the end of July.
- **Planning**
 - Land Use and Development Review
 - Approvals:
 - The expansion of the existing parking lot at GracePointe Church (Monroe St. & 42nd Ave.) was approved by the Planning Commission on May 12.
 - Pending Applications:
 - An application for a Type III Willamette Greenway review for a residential addition at 10545 Riverway Lane has been filed.
 - Public Hearings:
 - June 9 - Planning Commission hearing for Natural Resource review, for an addition to the existing single-family house at 5256 SE Winsor Ct. The addition is within a designated Water Quality Resource area and requires a variance request for relief from the street-side setback.
 - June 23 - Planning Commission hearing for Community Service Use, Willamette Greenway, and Natural Resource review, for Phase II restoration of the natural area at Spring Park.
 - Submitted land use applications and public notices can be viewed online at <http://www.milwaukieoregon.gov/planning/submitted-applications-0>.
 - [Moving Forward Milwaukie: Enhancing Our Commercial Districts](#)

- Phase 1 - Downtown: The second City Council public hearing is scheduled for June 2. Effective date of the amendments will be 60 days from adoption.
 - Phase 2 - Central Milwaukie: The Planning Commission will hold the third public hearing to address the Central Milwaukie plan and code amendments on May 26.
 - Phase 3 - Neighborhood Main Streets: The final Project Advisory Committee meeting for the project was held on May 21 and a final public open house for review of the draft code amendments is scheduled for June 3 at 6:30 p.m. at the Public Safety Building. Public hearings are tentatively scheduled to begin in August.
- [TriMet Coordination](#)
 - TriMet staff is scheduled to make a presentation to City Council regarding the [SE Service Enhancement Plan](#) on June 2.
- **Annexations**
 - Two annexation applications are scheduled for Council review on June 2.
- **Community Development**
 - **Economic Development**
 - City staff and staff from Clackamas County Business and Economic Development are working on the joint North Milwaukie Industrial Area CET grant application, which is due June 1.
 - [Monroe St. Neighborhood Greenway Concept Design](#)
 - Staff provided a brief update to City Council during the May 19 Work Session. The final recommended Concept Plan will be presented to the City Council at the June 16 Work Session.
 - The PAC (Project Advisory Committee) met on Wednesday, May 13 to review the draft Concept Plan.
 - A final public Open House is scheduled for June 1, from 6-8 p.m. at GracePointe Church.
 - The formal adoption process of the Concept Plan will take place in Summer 2015.
 - **Residential Parking Permit Program**
 - Staff will return to City Council this summer with a proposed new traffic regulation with a revised structure for establishing a residential parking permit district, for use if needed when the new light rail line opens or anytime for any other significant residential parking problem. The revised regulation will have City Council as the ultimate decision-maker for any permit-district issue, following an assessment of the problem and public meeting.
 - **Grants**

- 19th St Woonerf: Staff is working with DLCD staff to assess the level of effort required to prepare a woonerf concept plan.
- Study of Highway 224 Intersections: Staff is preparing a grant application for ODOT's Transportation and Growth Management (TGM) program to study the 5 Milwaukie intersections with Hwy 224 (at Harrison St, Monroe St, Washington/Oak St, 37th Ave, and Freeman Way) and identify needed safety improvements, particularly for pedestrian crossings. TGM grant applications are due by June 12.
