

# COULD YOUR BUSINESS SURVIVE and RECOVER from a NATURAL DISASTER or FIRE?

The second of Milwaukie's 2014 Emergency Preparedness Series provided by the Public Safety Advisory Committee

40% of businesses affected by a  
disaster fail to reopen

90% fail within two years according  
to the US Small Business  
Administration

25 % fail within one year, according  
to FEMA

**DO YOU KNOW WHAT TO DO TO BE DISASTER READY? or  
HOW TO RECOVER SUCCESSFULLY?**

Business Owners should plan to  
attend **BUSINESS READY,**  
a free 2 hour overview ***Tuesday, March 11, 6:30-8:30pm***  
and then a free three hour follow-up workshop on  
***Saturday, April 12, 9am-noon.***

Both held at the  
Milwaukie Public Safety Building Community Room  
3200 SE Harrison Street

**Justin Ross**, Portland area Business Emergency Planning and Recovery Specialist will speak with local business owners about continuity and recovery planning. Business Continuity and Emergency Preparedness experts **Carol Bruneau and Lou Bruneau, Emergency Management instructors, Portland Community College**, will be on hand to aid workshop attendees in beginning your own plan for resource management and business continuity.
