Johnson Creek
OPEN HOUSE

2808 SE Balfour Street | Milwaukie | Oregon | 97222

ColumbiaCare Services would like to announce the opening of Johnson Creek Secure Residential Treatment Facility. This is a newly built 8-bedroom home that will provide treatment and supervision for persons under jurisdiction of the Psychiatric Security Review Board who are approved for a conditional release from the Oregon State Hospital. Johnson Creek will be staffed with trained mental health professionals who will provide residential and mental health treatment services and supervision 24 hours a day, 7 days a week.

Open House—We appreciate the opportunity to help inform community members and neighbors about the home, and the services we will be providing there. We will be holding an Open House for those interested in taking a tour of Johnson Creek, getting more information about the program, and meeting the staff and representatives from partnering agencies.

Refreshments Will Be Provided
